Masial el Torre is a unique property with a solid history. The tower dates back to the 13th century and was originally used as a monitoring point for the nearby village. In connection to the tower there are 4 acres of ground, with grazing cows, which contributes to a brilliantly authentic experience. Withdrawn from the tower is an associated building, which was used by those who watched the area. This house is Masia el Torre, which has room for 11 guests. The swimming pool and football pitch is shared with the other house (El Torre).

The holiday home Ferieboligen has a traditional Spanish country style kitchen with modern amenities. Should you choose to dine indoors, there is the traditional Spanish dining table, as the great hub. The living room overlooks the garden and a fireplace (if rented in the winter and you want a little extra warmth and comfort). In the house there are 4 bedrooms, two double, one triple and a bedroom for 4. Guests. In total there is room for 11 guests in the large 250m² house. The house has 2 bathrooms.

The garden is really big and there is a terrace with BBQ. 800 meters from the El Torre lies the village with the three restaurants, a unique viewpoint and a very small grocery store. The beautiful, beautiful village Rupit lies 9. km. from El Torre and the city of Vic, with the region's biggest market on Tuesdays and Saturdays (morning), is located 30 km. from the house. Should you feel like spending a day in Barcelona, then the city is 98 km. from the house and there is 110 km. to the Costa Brava coast. El Torre is located in the very heart of Catalonia which, creates the possibility of countless memorable excursions.
